

Casestudy

Belmont House, Uxbridge

Belmont House,
Uxbridge

Part of the Colliers portfolio and a high profile building within the Aviva account, the sleek, contemporary 106k sq ft property is located in Uxbridge town centre.

Temco were initially appointed to manage the vacant property in 2017, commencing with a builders clean.

Since then we have worked in close collaboration with the management team to match the changing requirements to cleaning resources as the space has changed and floors are let out to clients.

We now provide a full suite of soft services using innovative cleaning methods and equipment to ensure high standards of hygiene and cleanliness at all times.

Services Provided

- » Daily cleaning for all communal areas
- » Deep periodic cleaning - washrooms, floors & high usage areas
- » COVID-19 Deep cleans available on request
- » Window cleaning -internal & external abseil for the atrium
- » Washroom Services
- » Laundered towel service for client changing rooms
- » Litter picking service
- » Supply of eco friendly consumables

Adding value through exceptional service, greater efficiency and enhanced quality

- » Working in partnership with the client
- » Investment in innovation
- » Professional staff with a can-do mentality

“ Temco team are local and professional individuals committed to high standards and every day the team goes above and beyond. We are proud to be supporting the local community and working with eco friendly cleaning products ”
